

NZC Cup 2012 – Draw and Information

A full set of playing conditions can be found online at www.blackcaps.co.nz under Grassroots – Tournaments – NZC Cup & Shield. Please also see some key points below.

Eligibility

This competition is for boys who are in Year 7 & 8.

Games

Please note that NZC has changed the format of this competition and all games are now Twenty20.

Pool games will be a mixture of round robin and field days.

It is up to the school that has been listed first in the draw to determine the venue. Schools should contact their local contact to book the ground they choose.

Result Notification

At the completion of each game the result must be forwarded to Nathan King at Otago Cricket on nathan@otagocricket.co.nz or fax 03 477 3056 or work 03 477 9056 or mobile 027 476 3559. Results will be updated on www.otagocricket.co.nz under Coaching & Development – NZC Cup.

Points will be awarded as follows

Win – 2

Tie/ No result – 1

If two teams finish top of a pool on even points then the team to progress to the next stage will be the team who won the fixture between those two teams.

If more than two teams tie, or if the result of the fixture between the teams who tied was a tie or a no result then net run rate will be used, It is therefore very important that accurate scorebooks are kept and detailed results including length of innings are reported back to Nathan King.

Pool A

- 1) Balmacewen Intermediate v Dunedin North Intermediate – To be played before 17th February (**Win to Balmacewen Intermediate**)
